THE GOELD RUSH STORIES OF GRIT & PERSEVERANCE TO ACHIEVE EXCELLENCE.

GOELD SHINES BRIGHT.

I come to you this month highly energised by our collective achievements, as well as the fact that Indian and global markets are warming up to a sprint, post the pandemic blues. Goeld represents and embodies a winner brand mind set. When the chips were down, we strengthened our team, infrastructure, distribution and business associations. Now that the world stadia is open for the marketing play, we are the first off the blocks. And tipped to snap the tape and claim our deserving trophy. Goeld!

Exciting new product launches, participation across marque event platforms, reaching newer global geographies, expanding deeper into Indian markets and strengthening our teams to ensure market success. The HORECA segment is red hot, coming back from the pandemic. Our HORECA team is strengthened through associations we have forged with some of the best performers in the industry, empowering our journey ahead.

To me we are all winners. And winners are self-motivated. I call upon all of you super achievers to play hard. And play to win.

Because the Goelden trophy is held up only by champions. Let's play!
